

Dear Stakeholders,

As a part of Asia Pulp & Paper preparation to meet the Forest Stewardship Council (FSC) conditionally approved "Roadmap towards ending the Disassociation from APP" requirements, APP will undertake assessments on PT OKI Pulp & Paper Mills in South Sumatera, PT Lontar Papyrus Pulp and Paper Industry in Jambi, PT Indah Kiat Pulp and Paper- Perawang Mill and its supply based that have been supplying their pulpwood. This assessment will carry on the scheme in standard Controlled Wood FSC-STD-40-005 V 3-1.

To ensure company compliances standard Controlled Wood FSC-STD-40-005 V 3-1. Standard, APP propose to PT TUV Rhineland Indonesia as Independent Body to review and evaluate company's performance to the respective standard. **This is not a certification audit**, the result of evaluation is report of PT OKI Pulp & Paper Mills, PT Indah Kiat Pulp and Paper – Perawang Mill dan PT Lontar Papyrus Pulp and Paper Industry compliances to Controlled Wood FSC-STD-40-005 V 3-1 for internal purposes.

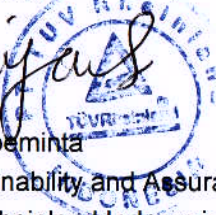

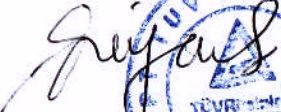

PT TUV Rheinland Indonesia will conduct an audit based on the document and field visit by March 2018. The Unit Management to be evaluated are listed in the Annex.

As part of this audit under Controlled Wood FSC-STD-40-005 V 3-1 standard, PT TUV Rheinland Indonesia invite the stakeholders to offer comment and feedback regarding the Unit Management performance in managing the forest.

We are very open to receive the comment or feedback from the stakeholder, either in public or confidential. The comment or feedback should be submitted within 30 days from the date of issuing this notification.

Thank you for your kind attention

Best Regards,
